You child will learn with the digital resources such as graphics, animations, 3-D images, video clips, etc. and this will help your child to improve the academic performance.

In Gujarat our school is one of the best digitally equipped schools. Parents can visit the school on **Saturday** during **8:00 am to 12:00 noon** and can experience the 'Smart Class'.

- The school is implementing new technique for attendance of students' and parents' too from the next week.
- Students' **Digital Attendance** will be taken in the school and their **Identity Card** will work as **Attendance Card**.
- The school will provide **Parents' Card** to the parents and they have to punch the card on the gate.
- In case of lost or damage of the card, immediately contact in the office for the new card.
